Terms & Conditions

- Shipments will be priced according to cubing guidelines which are the greater of actual weight or dimensional weight. The dimensional weight is calculated by: length x width x height = weight (in lbs.) all divided by 115.
- Maximum weight of 100 lbs. per item.
- Declared Value: \$100 free valuation included with every shipment (except those accepted at "shipper's risk"). Declared values in excess of \$100 are subject to a 3% fee. Declared values up to \$10,000 on in-city shipment charge accounts only. Shipments with a declared value between \$1,000 and a maximum of \$10,000 must have pre-authorization from National Customer Service. Non-charge account shipment's declared values up to a maximum of \$1,000.

Door-to-Door Shipments

- When the carrier has attempted delivery on two (2) occasions without success, the carrier will notify the consignee with the following options:
 - (1) The consignee will pick up the shipment at the carriers agency/terminal.
 - (2) The consignee will be charged for each additional attempt of delivery.

*First time users of online pick-up order will need to set up a log-on. Additional details and instructions on shipgreyhound.ca.
