By giving this shipment to us, you are appointing us as your agent just for customs clearance and you are asking us to hire a customs broker to clear this shipment for you. You are also agreeing to be responsible for all customs charges, transportation costs and any other charges if the recipient does not pay for them.

Greyhound Courier Express International shipments travel by AIR and Dangerous Goods are PROHIBITED. The signing of this document declares that there are NO Dangerous Goods in your shipment, and that you have read and understand page 2 of this document. Please note that a false declaration could lead to additional charges and/or prosecution.

SENDER'S SIGNATURE (Required)

If Your Goods Were Made In Canada, the U.S. or Mexico. Read the Following to Save Money.

"I certify that the goods above originate under the rules of origin specified in the North American Free Trade Agreement (NAFTA) and that further work on these goods has not occurred outside of the United States, Canada nor Mexico." (If correct and you sign, duties and taxes will usually be zero or reduced.)

Sign if NAFTA Goods
